RECOMMENDED SERVICES

Warranty Upgrades – Onsite / In-Home Service
Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Warranty Extensions (1-to-3 Years Total Duration)
This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

Accidental Damage Protection
Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.
